

Palmer Historical Society History Night

Noel, Karl, Ross & Leif Kopperud

Kopperud Transportation is Palmers oldest proprietorship and one of Alaska's oldest trucking companies, a family business founded by Herb and Claire Kopperud and has spanned 80 years. Herb and Claire moved into Palmer after WWII and started a family which includes 4 sons. Claire lived in the same house on main street Palmer for almost 70 years.

Leif Kopperud, Herb, and Claire's oldest son will recall his first-hand experiences as he gives an oral presentation of their family history, their family-owned company, and the changes it saw from Alaska Territorial days until today.

As always History Night is a free event, and all are welcome!
